EQUIPPING YOU TO PRAY  
**Beyond Today**

This leaflet is for YOU  
to take away and use.

Prayer is simply communicating with God - talking and listening. Whether you've been praying for years or have just begun, this is for you. We want to help equip you as you converse with Him.

We have laid out a simple prayer plan that guides you through an entire week. Each day has a specific focus and space for you to scribble down notes or Bible verses that help you engage with God.

Looking for a starting point? A helpful framework to use each day is 'T.S.P' - Thanks. Sorry. Please.

Our hope is that you will engage with God daily and discover more of who He is as you go on this amazing journey of prayer.
