INTERCULTURAL

Small Groups

Our intercultural small groups are for you if you have recently arrived in the UK/Ireland. We meet weekly on Thursdays 7:30-9pm to share light refreshments, worship and discuss the Bible. Alternatively we have a daytime group on Wednesdays 10-11:30am.

There are groups for people of all language levels who want to grow in their Christian faith or explore Christianity for the first time. Enter the building through the glass door in the car park.
